

## Quality Policy Statement

**The Three Novatel Businesses:**

1. *SaaS solution focused on the telematics vertical of IoT via our CTrack Brand*
2. *SaaS solution focused on the telemetry vertical of IoT for connected retail via our Feeney Wireless Brand*
3. *MiFi and Mobile Broadband*

**The DigiCore Holdings Group:**

*CTrack specialises in the research, design, development, manufacturing, sales and support of technologically advanced solutions - tailor-made for the consumer or industry sector required.*

*As a global supplier of vehicle tracking, insurance telematics and fleet management solutions, CTrack's operations are encapsulated in the promise, Always Visible.*

*Whether we are providing vehicle tracking and stolen vehicle response services to private individuals and their families, empowering insurance companies through intelligent telematics solutions, or helping small to large fleet operators manage their fleets - at the end of the day it all comes down to keeping our customers' assets and daily operations, Always Visible.*

**OUR VISION: TO BE AN INNOVATIVE GLOBAL SOLUTIONS PROVIDER, SIMPLY CONNECTING PEOPLE WITH INFORMATION**

**OUR VALUES: CUSTOMER DELIGHT; INNOVATION; INTEGRITY AND QUALITY**

*Through innovation, teamwork, and continuous improvement, we will deliver solutions that exceed customer expectations.*
